NOW COMES, Kevin Bailey hereinafter referred to as the "Objector," and respectfully represents that Objector resides at 5944 South Calumet, in the City of Chicago, Illinois 60637.

Alderman of the 20th of the City of Chicago of the State of Illinois; that Objector is a duly qualified, registered and legal voter at such address; that Objector's interest in filing the following objections is that of a citizen desirous of seeing to it that the laws governing the filing of nomination papers for election of the office of Alderman of the 20th Ward of the City of Chicago in the State of Illinois are properly complied with and that only qualified candidates have their names appear on the ballot as candidates for the said office; and therefore Kevin Bailey, makes the following objections to the nomination papers of Quandra V. Speights as a "Candidate" for election of the office of Alderman of the 20th Ward of the City of Chicago in the State of Illinois, and files the same herewith, and states that the said nomination papers are insufficient in law and in fact for the following reasons:

City of Chicago in the State of Illinois, and their signatures are therefore invalid, as more fully set forth in the Appendix-Recapitulation under the column designated "SIGNER NOT REGISTERED (A)." attached hereto and made a part hereof, all of said signatures being in violation of the statutes in such cases made and provided.

4. Kevin Bailey further states that the said nomination papers contain the names of numerous persons who have signed said petition but who are not, in fact, duly qualified, registered, and legal voters at addresses that are located within the boundaries of the 20th Ward of the City of Chicago in the State of Illinois, as shown by the addresses they have given on the petition, as more fully set forth in the Appendix-Recapitulation under the column designated "SIGNER NOT IN DISTRICT (B)," attached hereto and made a part thereof, all of said signatures being in violation of the statutes in such cases made and provided.
5. Kevin Bailey further states that the said nomination papers contain the names of numerous persons who did not sign the said nomination papers in their own proper persons, and that the said signatures are not genuine, as more fully set forth in the Appendix-Recapitulation under the column designated "SIGNER NOT PROPER PERSON AND NOT GENUINE (C)," attached hereto and made a part hereof, all of said signatures being in violation of the statutes in such cases made and provided.
6. Kevin Bailey further states that the said nomination papers contain the names of numerous persons who previously and first signed nomination papers for Kevin Bailey and or another candidate for alderman of the 20th ward in the same election to be held on February 26, 2019, and the said signatures cannot be counted twice.
7. Kevin Bailey further states that the said nomination papers contain the names of numerous persons who signed an affidavit attesting under the penalty of perjury that the signature appearing on Kevin Bailey's Petition sheet for Alderman of the 20th ward of Chicago to be elected on February 26, 2019, is his/her true and genuine signature.
8. The Signer further attested under perjury, that of the date they signed Kevin Bailey's petition sheet, they have not signed any other petition sheet for any other candidate for Alderman of the 20th ward of Chicago for the election to be held on February 26, 2019, or signed any affidavit attesting to signing any other candidate for 20th ward alderman's petition.
9. The Signer further attested under perjury, that his or her signature appearing on any other petition sheets for any other candidate for Alderman of the 20th ward of

Chicago for the election to be held on February 26, 2019, was second to his or her signature signed on Kevin Bailey petition sheets.

10. The Signer further attested under perjury, that his or her signature appearing on Kevin Bailey petition sheets was first in time and has precedence above and over any other signature I purportedly may have signed on any other petition sheets for any other candidate for Alderman of the 20th ward of Chicago for the election to be held on February 26, 2019.
11. The Signer signed Kevin Bailey's petition sheet and an affidavit attesting to and verifying their was the first signature they provided to a 20th ward candidate of Alderman to be elected on February 26, 2019, under Section 109 and in the presence of a notary.
12. Kevin Bailey further states that the said signatures on the nomination papers for Quandra V. Speights are duplicates and attested as being signed after the signature appearing on Kevin Bailey's petitions and therefore the signature appearing in the petition sheets of Quandra V. Speights are invalid as identified and more fully set forth in the Appendix-Recapitulation under the column designated "SIGNER SIGNED THE PETITION SHEET OF CANDIDATE KEVIN BAILEY PRIOR TO SIGNING THE PETITION SHEETS FOR Quandra V. Speights (D)," As noted in Column "D" will identify the specific affidavit with ("KB pg. # Ln. #) which also referenced the sheet number and line number where said signature appears in the Petition Sheets of Candidate Kevin Bailey. The attached hereto under the section identified as "EXHIBITS" and made a part hereof, all of said signatures being in violation of the statutes in such cases made and provided.
13. Kevin Bailey states that various purported signatures are legally defective and deficient for a variety of reasons, as more fully set forth in the Appendix-Recapitulation, under the column designated "OTHER (E)" (together with an appropriate further reason) attached hereto made a part hereof, all of said signatures being in violation of the statutes in such case made and provided. These objections include, but are not limited, (a) to signer signed more than once in the same petition set for the same candidate and (b) signature is a copy and not the original, and that the said signatures cannot be counted twice, attached hereto and made a part hereof, all of said signatures being in violation of the statutes in such cases made and provided.
14. Kevin Bailey states that various purported signatures are legally defective and deficient because the signer failed to put his/her address in the correct box which was and is clearly states "print your address," as more fully set forth in the Appendix-Recapitulation, under the column designated "OTHER (E)" attached

hereto made a part hereof, all of said signatures being in violation of the statutes in such case made and provided.

15. Kevin Bailey states that various purported signatures are legally defective and deficient because the purported signature is an “initial” purportedly of the signer’s name. However, the initials are not full valid signature of the purported signer and therefore it is legally defective, as more fully set forth in the Appendix-Recapitulation, under the column designated “OTHER (E)” attached hereto made a part hereof, all of said signatures being in violation of the statutes in such case made and provided.
16. Kevin Bailey states that various purported signatures are legally defective and deficient because the purported signature is the “printed name” purportedly of the signer’s name. However, the printed name is not full valid signature of the purported signer and therefore it is legally defective, as more fully set forth in the Appendix-Recapitulation, under the column designated “OTHER (E)” attached hereto made a part hereof, all of said signatures being in violation of the statutes in such case made and provided.
17. Kevin Bailey states that various purported signatures are legally defective and deficient because the address and/or street name for purportedly the signer is incomplete and/or misspelled. Only the purported signer can attest to whether that signer intended to add his full and correct address and street name. Therefore, no signer can be legally registered to vote at any address which is a partial address or partial street name as more fully set forth in the Appendix-Recapitulation, under the columns designated “SIGNER NOT REGISTERED (A)” and/or “OTHER (E)” attached hereto made a part hereof, all of said signatures being in violation of the statutes in such case made and provided.
18. Kevin Bailey states that the nomination papers herein contested consisted of various sheets supposedly containing valid and legal signatures of 2,200 individuals. The individual objections cited herein with specificity reduce the number of valid signatures below the statutory minimum of 473.

WHEREFORE, Kevin Bailey prays that the purported nomination papers of Quandra V. Speights as a candidate for nomination papers for election of the office of Alderman of the 20th Ward of the City of Chicago in the State of Illinois be declared by this Honorable Electoral Board to be insufficient and declare that the name of Quandra V. Speights as a candidate for election of the office of Alderman of the 20th Ward of the City of Chicago in the State of Illinois BE NOT PRINTED on the OFFICIAL BALLOT for the Primary Election to be held on February 26, 2019.
